

It is my pleasure, on behalf of the Board of Directors of SMFA, to bring greetings to our District Festivals, volunteers, and participants.

The Saskatchewan Music Festival Association has a long and rich history of promoting musical excellence. We believe that music and speech arts enrich our world. Performers, teachers, conductors, volunteers, audience members, and adjudicators each have a vital role to play in promoting music in our community and throughout our province.

We are grateful for the funding we receive from the Lotteries Trust Fund for Sport, Culture, and Recreation administered by SaskCulture Inc. Their generous financial support allows the tradition of music festivals, established in this province in 1908, to continue to flourish today.

Our Festivals would not be possible without the dedicated volunteers who give freely of their time and from their hearts. Please take a moment to show your appreciation to the members of your local festival committee for their commitment and hard work.

Wishing you all the best for a successful and rewarding Music Festival of 2017!
