The Provincial Syllabus and Directory

The Maple Creek and District Music Festival is governed by the Saskatchewan Music Festival Association's "General Competition Regulations" as outlined in the current [Syllabus](#) and [Directory](#). Copies of the [Syllabus](#) and [Directory](#) are online at www.smfa.ca. Please note that in order to compete at the provincial level, you must enter the classes so marked in the [Syllabus](#).

The Addendum

The Maple Creek and District Music Festival has an Addendum of Classes to accommodate pieces that do not fall within classes in the [Syllabus](#). Please contact Shelly Kay **before February 1st, 2017** with any requests for new proposed classes. Any requests received after that date may not be included in the 2017 Maple Creek and District Music Festival.

Completing the Entry Form

All music teachers will be provided with an electronic entry forms and paper entry forms as well as these guidelines. Photocopy extra entry forms as needed.

Please make every effort to fill out the entry form **COMPLETELY** prior to submission to Shelly Kay. If you are in doubt about any section of the form, check with your teacher. If you are both in doubt, please contact Shelly. There is a reason for all of the information required by the form; everything is important, from the class number to the timing of the piece and the listing of all your classes so that we do not double-book you. Incomplete forms make the Entry Secretary's job difficult.

Use of Photocopies PHOTOCOPIES ARE NOT PERMITTED.

You must provide original copies of your music for your adjudicator (and your accompanist.) Make sure you have **TWO COPIES** of the original available if you require two copies. Talk to your teacher early to make sure the originals are available. Your accompanist **MAY NOT** play from a photocopy.

Legally Downloaded Music is acceptable, but you must bring to the festival your proof of purchase at the time of the competition.

Marking your Music

Remember to pencil in the bar numbers on all music submitted at the Festival.

Speech Arts Classes

Please remember that if you do not wish to participate musically, there are many classes for Speech Arts that are ideal for school classrooms and performers. Please keep this in mind as you plan for Festival. This is a great opportunity to build confidence and polish your public speaking skills; many of our Speech Arts competitors have gone on to compete and win provincially.

Recording or videotaping performances

NO CAMERAS OR RECORDING DEVICES ARE ALLOWED DURING MUSIC FESTIVAL COMPETITIONS OR DURING PERFORMANCES AT THE FESTIVAL FINALE.

Scholarships

With the support of our community we are able to offer scholarships during the festival. We also support attendance at music camps, workshops, and other educational and speech arts opportunities. Students are encouraged to submit applications for funding assistance **IN WRITING** prior to our annual meeting in June so we can consider your summer requests. Forms are included in the program.

In order to qualify for a scholarship during the festival, competitors must be entered and perform in two (2) classes in the same discipline.

ALL AWARDS AND SCHOLARSHIPS ARE THE ADJUDICATOR'S CHOICE AND ARE SOLELY THE RESPONSIBILITY OF THE ADJUDICATOR.
