

The Saskatchewan Music Festival Association has a long and rich history of promoting musical excellence. We believe that music and speech arts enhance our lives and enrich our world. Performers, teachers, conductors, volunteers, audience members, and adjudicators each have a vital role to play in promoting music in our communities and throughout our province.

We are grateful for the support of SaskCulture Inc. and the Saskatchewan Lotteries Trust Fund for Sport, Culture and Recreation. Their generous financial support allows the tradition of music festivals, established in this province in 1908, to continue to flourish today. We also are thankful to the many local donors and patrons who contribute to scholarships and awards in our communities.

Our Festivals would not be possible without the many dedicated volunteers who give freely of their time and from their hearts. Please take a moment to show your appreciation to the members of your local festival committee for their hard work and passionate commitment.

My best wishes to all for a successful and inspiring Music Festival of 2018!

Karen Unger, SMFA President

SMFA Board of Directors
