

Twin Rivers Music Festival Awards

Awards Eligibility

Twin Rivers 'in-district' awards will be available to entrants living in Divisions 1, 4 and 5 in the RM of Laird and Divisions 5, 6 and 7 in the RM of Corman Park. This would include the towns of Langham, Dalmeny, Martensville, Warman, Hepburn, and Osler.

An entrant residing outside of the Twin Rivers district may also be eligible for in-district awards if they meet one of the following criteria:

- are an entrant furthering their education elsewhere with a home address in the above mentioned district; or
- are a student (for a minimum of 4 months prior to entry deadline) with a teacher for the discipline in which they are entering, who resides in the above mentioned district; or
- are a present and former member of the Prairie Spirit West Band. Out-of-district band members will only be eligible for in-district awards in band and instrumental classes.

Entrants who do not meet the criteria for in-district designation are not eligible for Twin Rivers Music Festival awards or scholarships.

All awards, with the exception of the Mature Scholarship, Prestige Award and J.J. Loewen Band Award are available only to pre-high school graduate solo and group competitors. Professionals and TRMF committee members are not eligible for awards.

All awards and scholarships are given out to deserving competitors at the discretion of the adjudicators. To qualify for an award, participants must compete in at least two classes in the same discipline on the same instrument.

Scholarship age designations may be adjusted to reflect the number of entries in any age category.

Award requirements will be reviewed annually.

A Plaque may be awarded to one outstanding performer, age 29 years and up.

\$200 may be awarded in each discipline to one outstanding post high school competitor, up to and including the age of 28. This award would be divisible in case of a tie.

Twin Rivers Musical Distinction Awards

The TRMF Rose Bowl and \$150 scholarship may be awarded to one Outstanding Musician from each of the following 3 disciplines: Senior Piano, Instrumental, Vocal/Musical Theatre. In order to maintain a high standard of excellence, the Musical Distinction awards will only be given out if the competitor meets the following requirements:

1. Competitor must be performing at a minimum Grade 8 level.
2. Competitor must have placed first or second in a minimum of two solo classes in the stated discipline (not including own compositions, improvisation, or popular music) with the highest two marks averaging 87% or higher.
3. To consider overall musicianship, the adjudicator may take into consideration other performances by the competitor such as duets, own compositions, improvisation, and popular music, even though they cannot be considered for the marks average.
4. Other considerations could be level of difficulty and number of entries.

Awards will be reviewed annually. If you have any concerns, please contact a member of the executive.
