

WEBPAGE UPDATES

The most efficient way to submit your changes for your webpage is to:

- Go to the SMFA website.
- open your district festival page,
- copy the page or the part you wish to change,
- create an email to send to SMFA,
- paste the webpage component to be changed into the body of the email,
- make the necessary changes,
- attach any additional documents, in PDF format, that you would like to be linked in your website page (e.g. addendum, entry form, etc.)
- provide any direction to us you wish in regards to the change,
- send the email to sask.music.festival@sasktel.net.
