All selections are one choice, own choice, unless otherwise noted

~~~ There are **THREE** new **Master Classes** (one for each adjudicator). The purpose of these classes are for the student to play in a non-competitive environment **WITH** the addition of a longer lesson from the adjudicator. They will provide educational learning for teachers, as well as an excellent opportunity for students to receive more of a lesson pertaining to their piece and instrument. There will be an adjudicators choice award specific to the master classes. These classes are **\$20.00** per entry. There is no limit for entries in this class. For ex: A student could enter two speech arts in this class for a **\$40.00** entry cost. ~~~
