### Rules for Deciding on Awards

- That we follow the motion “that the requirement for receiving an award in this Festival include the option of either playing a Test Piece from the Syllabus or playing two pieces at the student’s grade level from Royal Conservatory or Concord Canada. This is for Piano, Vocal, and Organ. It would not apply to Speech Arts and Band, which would continue to require two entries. Any qualifier piece would have to be identified as such on the application form. (Sept. 16, 1996). Clarified to mean that in order to qualify for an award a child must play a test piece plus one other piece (total of 2), or two pieces from their grade level plus one other piece (total of 3). These qualifying pieces are to be identified on the entry forms.) (Jan. 18, 1997).
- That “in order to be eligible to win the *Piano Distinction Award* you must play three of these categories – baroque, sonata/sonatina, 20<sup>th</sup> century (including impressionistic music, jazz, blues, or modern music), pop, romantic, accompaniment, *plus one* of either a quick study or playing at sight. (Awards Meeting, June 11, 2007 & Sept. 2008).
- *Vocal Students* must perform a test piece plus another piece to qualify for the Distinction, Intermediate, Senior Vocal, Junior Vocal, and Primary Vocal awards. (Jan. 8, 2012).
- That upon completion of high school students entering the Moosomin & District Music Festival will not be eligible for local awards. Students are welcome to participate in festival and would still be eligible for a provincial recommendation, but will not receive financial support. (April 26, 2012)
- That when choosing awards preference will be given to students within our geographic area of 80 km./50 miles.
- Awards are to be given as they are listed. The only exception is if no one qualifies to receive a specific award then it can be changed and the money awarded to someone else as the committee and the adjudicator sees fit.
- 6 and under medal recipients – “that all 6-year-old and under non-competitive participants will receive a medal for each discipline they perform in”. (revised April 26, 2012)

**SCHOLARSHIPS** – *Open to students 12-18 in all disciplines, must be applied for and cannot win two years in a row.*

**PCS Camp Award** – This award *must be applied for, cannot be won two years in a row*, and the recipient is chosen by the adjudicator. If you are interested in receiving this award, applications forms are available at the registration table.
