1. The Redvers & District Music Festival Association is affiliated with the Saskatchewan Music Festival Association, and thus must abide by its rules and regulations as stated in the provincial syllabus and directory. Current SMFA regulations also apply to Redvers & District Music Festival addenda classes.

Please familiarize yourself and your students with the rules!!!

See the SMFA Syllabus for "Copyright and Photocopying Information" (pp. 7-8) and for "Competition Regulations". Also check the SMFA website www.smfa.ca

2. **BEGINNERS:** If a student is a beginner, please indicate this on the entry form. A beginning student is one who is in first year of instruction. Please note that first year in the festival is not the same as first year of lessons.
3. **FULL BANDS:** When entering full bands please indicate the grade levels of the students on the entry forms. Also, please state the total number of band members in each group.
4. Special programming requests must be made in writing and must accompany the entry forms. These requests will be considered, but will not necessarily be accommodated.
5. Requests for changes in the order of the printed program may be accommodated, but these performances may be for adjudication only. The decision of the committee will be final.
6. In the Redvers & District Music Festival eligibility for **Solo Awards** is based on the following:
Piano, Organ, Fiddle, Guitar, Vocal & Speech Arts – The student must perform in a minimum of **two** solo classes in the same discipline; for example, two or more piano solo classes.
Band – The student must perform in at least **two** classes, at least one of which must be a solo entry; the other class may be a band duet or a band ensemble class. Full school bands are not considered to be ensembles.
7. In order to be eligible for recommendation to **Provincial Finals**, a student must enter and compete in at least **two** solo classes in the same discipline. Instrumentalists must enter and compete in **two** solo classes on the same instrument. At least one of the solos entered must be in a provincial class. *See the SMFA directory for further information and a listing of provincial classes.*
8. Students entering **popular music classes** must comply with any special requirements under the class descriptions.
9. Absolutely no **substitution of piece** will be allowed by our festival after the entry closing date. Those making such a request will be allowed to perform the piece for adjudication only.
10. For choirs and bands, only members who have been part of the group for at least two consecutive months may take part.
11. In this festival, a student dropping out of a duet, trio, or ensemble will cause the remaining student(s) to not be eligible for competition, but they may be allowed to play for adjudication only.
12. The required entry fees must accompany the entry; otherwise, the entry will not be accepted. There can be no refunds after the entry closing date.
13. Please make sure that entry forms are complete. Your name, address, and telephone number, as well as all teacher and class information should be on each of your entries. **The students' home telephone numbers are especially necessary.**
14. Classes in the Redvers & District Music Festival that receive nine or more entries may be divided, by age of performers, into separate classes.
15. Specific requirements must be met for **Camp Scholarships** and the **Dahlgren Scholarship**. The criteria for these are listed at the end of this addenda booklet.
