### **JAZZ BAND CLASSES**

School Jazz Band classes provide a category for extra-curricular jazz bands only within the school system. This is done primarily to avoid unfair competition between schools that offer extra-curricular jazz and highly organized schools offering jazz studies courses. Schools may have a separate jazz band and jazz study course, but in order to enter these classes the extra-curricular jazz band may not contain any members of the jazz studies course. Questions should be directed to the band coordinator.
