

LA RONGE AND AREA
MUSIC FESTIVAL
ADDENDUM

Protocols of La Ronge and Area Music Festival

Participating in a music festival can be an enriching experience for music students. They have the opportunity to perform pieces they have worked hard to learn before an appreciative audience, and they get valuable feedback from the adjudicator. The following information is designed to assist teachers in making appropriate selections and preparing students for the festival.

Festival Dates

The 2021 La Ronge and Area Music Festival will be held March 22nd to 26th, 2021. Because of COVID-19 there are a few things that may change yet, but the plan at this time is to host a live festival with some attendance restrictions and performance modifications. If you have any questions, please reach out to a committee member.

Registration

- 1) All songs entered in the music festival must be entered by the registration date. No late entries can be accepted. In general, the due date for forms is the first Thursday in February. For the 2021 Music Festival, forms should be returned using the JotForm link (<https://form.jotform.com/203524703113038>) by February 4, 2021.
- 2) When choosing classes for entry into the festival, you must use the local addendum. The class number, type, name, and age group are listed. Please note that classes that are underlined are non-competitive.
- 3) If you have a special entry that does not seem to fit with the addendum, you may make a request to a committee member. This only applies if there are no possible options within the existing addendum. This needs to be considered when selecting festival pieces.
- 4) If you want to enter a Provincial Selection from the Saskatchewan syllabus, please speak to a committee member first.
- 5) The Programming Committee reserves the right to combine classes. You will be notified if the class you chose needs to be changed.

Music

- 1) You must provide a legal copy of the music for the adjudicator for all entries in the vocal and classical sections of the festival. You do not need to provide music for the arranged piano section.
- 2) If students or accompanists require music, they *cannot* use photocopied music. Only legal, copyrighted music can be present at the festival.
- 3) Voice competitors shall arrange for live accompaniment. School groups may use recorded music.

Performer Etiquette

- 1) Performers are expected to dress in a formal fashion. Shoes are required.
- 2) Performers need to bow after a performance. It is a sign of respect to the listeners.

- 3) Performers should be coached on proper behaviour when other competitors are performing. They should listen attentively, and not, in any way, distract the performers.

Certificates & Medals

All performers will receive participation certificates. For large groups, one certificate may be provided for the group. All performers in non-competitive categories will be awarded participation medals. In competitive categories, gold, silver and bronze medals are awarded at the discretion of the adjudicator.

Scholarship Criteria

A variety of scholarships are awarded each year. These may vary according to the financial donations the festival receives and the number of competitors.

- 1) All regular scholarships and multidisciplinary scholarships are determined by the average of a participant's top 2 marks in festival. Committee members are *not* involved in determining any of these scholarships.
- 2) In order to be eligible for a regular scholarship, students must be entered in two separate classes. During years when we have two adjudicators the entries must be within the same discipline. Disciplines are considered as follows: (1) arranged piano, (2) classical piano, and (3) voice.
- 3) Multidisciplinary scholarships are available to students who enter a song into more than one of the following: arranged piano, classical piano, voice.
- 4) Saskatchewan Composers Scholarships may be awarded to one or two deserving competitors who perform music by a Saskatchewan composer. This scholarship is provided by the Saskatchewan Music Festival Association.
- 5) Adjudicator's Choice awards are chosen by the adjudicator. There is no set criteria.
- 6) Teacher's Choice awards are chosen by the teacher and are only available to student teachers. There is no set criteria. If you, as a teacher, would like to award one or more \$25 scholarships to your students, speak to the Festival Committee. [NOTE: A student teacher is defined as 20 years and under].

Outstanding Performances Concert

The festival concludes with a concert and the presentation of scholarships. A team of festival committee members invites a limited number of participants to provide a sampling of the variety of performances heard throughout the festival. On the day of the concert, teachers may be asked to contact selected performers to confirm their attendance.
