ADDENDUM

District Additions to SMFA Syllabus (revised JAN 2021)

The GDBMF Addendum was revised in order to reflect the new SMFA 2019-2020-2021 Syllabus, available online at

<https://smfa.ca/syllabus-regulations/>

Some of the local classes have been absorbed in the new system and other classes have been assigned new numbers so as not to conflict with the provincial revision. The “D” following the class title indicates that it is a “district numbered” class to reflect adjustments made.
