

# Yorkton Music Festival 2022 Addendum

To align with the new provincial syllabus, there have been several changes made to this addendum. Most classes have new numbering, and several classes now provided for in the syllabus have been removed from this addendum.

These classes are intended as additional to the syllabus; please use syllabus classes first.

Requests for changes to the addendum must be made in writing to the president of the Yorkton Music Festival no later than May 1, to take effect for the following festival year.
