SMFA President's Message

Life events are the punctuation of our time on earth. Birthdays, graduations, marriages, illnesses, fires, accidents, deaths. These break our lives into segments. Many big life events are not shocking — we made the decisions that took us to that place in life. Many life events are shocking but not unheard of. Illnesses, deaths and fires all come as a shock but are not truly surprising when we consider the world around us.

However, it is fair to say almost everyone is very surprised to be living through a pandemic. And shocked. And frightened. But this is where we all find ourselves.

Many life events are one day events, but many of them can be much longer. This pandemic is not only a surprising event, but a very long one — an event with no clear end in sight.

We are in the middle of it, without the benefit of previous experience.

It's never been more clear to me how important district music festivals are to students. Several teachers have shared stories of their students' struggles during the pandemic – the apathy that is developing, the exhaustion students feel as they cope with a school life that includes no extra curricular events. And it's not an easy time to be a district festival committee member either. There is enormous pressure this year to provide a safe, yet meaningful experience. But most communities across this great province were able to dig in and get it done. And for this, I commend you!

I've never been more proud to be one of the hundreds of volunteers who support the Saskatchewan Music Festival Association. The work we are doing together across Saskatchewan this year is astounding. We are rewriting the rules, rewriting the rewritten rules, and then watching the provincial guidelines to see if we must rewrite them yet again.

And we are doing this as we earnestly try to keep all volunteers and participants safe and while staying true, as much as possible, to our core values, including promoting live music performance and competition.

Many thanks to the district festival committee members who put their heads and hearts together to provide the best festival experience possible for their communities this year. It has not been easy. But it matters, perhaps more than we can know.

Tammy Villeneuve, SMFA President

ADJUDICATORS

Upon graduating, she was immediately hired to teach for the program and was later named one of the top twenty graduates of the program. She has her Grade 10 Voice and A.R.C.T. in Piano Performance from The Royal Conservatory of Music.

Marion is the creator of The Confidential Project (which includes Musical Theatre, Theatre, Shakespeare, Opera and Operetta), The Plain Stage Theatre Company, The Women Of Musical Theatre Festival, New Works Series, The Artist Discovery Series and The Spirit Of Maud Theatre Company, all housed under Marion Abbott Productions. Her company's mandate was to provide as many opportunities for as many artists as possible. Consequently, Marion produced over 400 productions in Toronto and other cities. Of the many (many!) shows Marion has worked on,

some of her favourites include The Scarlet Pimpernel, All Shook Up, Anne And Maud, No Safe Harbour, Ragtime, Streetcar Named Desire and Passion.

As a Musical Director, Marion most recently worked for Drayton Entertainment (Cinderella: The Panto) and was a part of the first Drayton Youth Program. As a private teacher, Marion taught voice, piano and acting for 29 years to students of all ages. From festivals to recitals to performing in Disney World, Marion cherishes her memories of her time with her students dearly. Many of her students now work in the arts full time. Marion is in demand as a consultant, adjudicator and private coach. She has written 700 Song Suggestions For Singers and 100 Suggestions For Teaching Private Lessons - both available on Amazon. She remains as passionate as ever about helping artists find their true voice and shining bright. Walt Disney is Marion's all time hero and she tries to visit Walt Disney World with her son at least once a year.
