

Class # - Show class number only (eg. 01090) Please don't enter the word "Class" in front of the class number. This is an alpha numeric field so letters and numbers are acceptable but NO SPACES. (Max field length 8 characters)	Class Name/Description - This name or description should not include all of the detail found in your printed syllabus but rather the "heading" you want to show in your printed program. (Max field length - 120 character)	Class Fee - show dollar value only (eg. 20). Don't include the '\$' sign. Must be to the nearest dollar - no cents. (Max 5 digits)	Average Performance Length in this class. This is the total number of minutes for a class from start to finish divided by the number of performances in the class. (Max 2 digits)
