ADDITIONAL RULES

The SMFA syllabus is available online at www.smfa.ca for all classes. The attached addendum is to supplement the syllabus developed by the SMFA. The following are rules that each teacher and competitor should be aware of:

- The Saskatchewan Music Festival Association's Syllabus states:
"It is the responsibility of the user to ensure copyright laws are being followed and will be strictly observed. An original or authorized copy of competitor's music must be provided. Music downloaded from www.imslp.org is permitted. Please write the full URL of the work being performed on the first page of all parts and copies being used. Anyone using music and literature downloaded from the internet must be prepared to show authorization from the publisher or proof of purchase. Use of unauthorized, altered or photocopied copyright music will result in disqualification (no adjudication, mark nor scholarship consideration)." Pg 12 no. 10
- To qualify for local level scholarship or award, a solo contestant must compete in at least two classes of the same discipline, one of which must be from the Provincial Syllabus. Non-competitive category classes are not considered for awards.
- All additional classes have a time limit of 5 minutes
- All additional classes must be listed with a D to indicate that these were developed at the District Festival level
