Students from any community in Saskatchewan are welcome to enter our festival. Please see information below regarding qualifications for local awards and Provincial Finals.

Scholarships: **Local festival scholarships** are available to students who live, or study with a teacher who lives in the Sask Valley district as defined above, except for the Alumni Post-Secondary scholarships.

The Alumni Post-Secondary scholarship is available to former competitors of SVMFA who do not meet the residency criteria (and thus are ineligible for any other award). The alumni award is available to competitors for a maximum of 4 years.

To qualify for an award, competitors must be entered and compete in at least two classes in the same discipline. Vocal classes and Musical Theatre classes will be considered under the discipline of Vocal for our local scholarships and awards.

Please see SVMFA Scholarships and Trophies for a list of available local awards. **All awards may be subject to change depending on sponsorship and qualified entries.**

Provincial Recommendations:

Competitors wanting the opportunity to participate in Provincial Final Competitions must enter Provincial designated classes at a district festival and place first or second with a mark of 87 or higher to be eligible.

Competitors must enter and compete in at least two solo classes in the same discipline not necessarily both provincial.

Please see <https://smfa.ca/syllabus-regulations> page 6 for complete information.
